FOREWORD

LOOKING BACK IN TIME . . .

The 1984 Tiger Tracks Staff hopes to bring back memories of times past in this yearbook. We want you to look back at the good times and the bad here at CHS, and to relive, through these photographs, some of the special moments that made up this school year. Perhaps, years after you graduate, you will again look through these pages, and find preserved here a small part of your life, and it is our hope that you will look back in time and enjoy again some of these special moments.

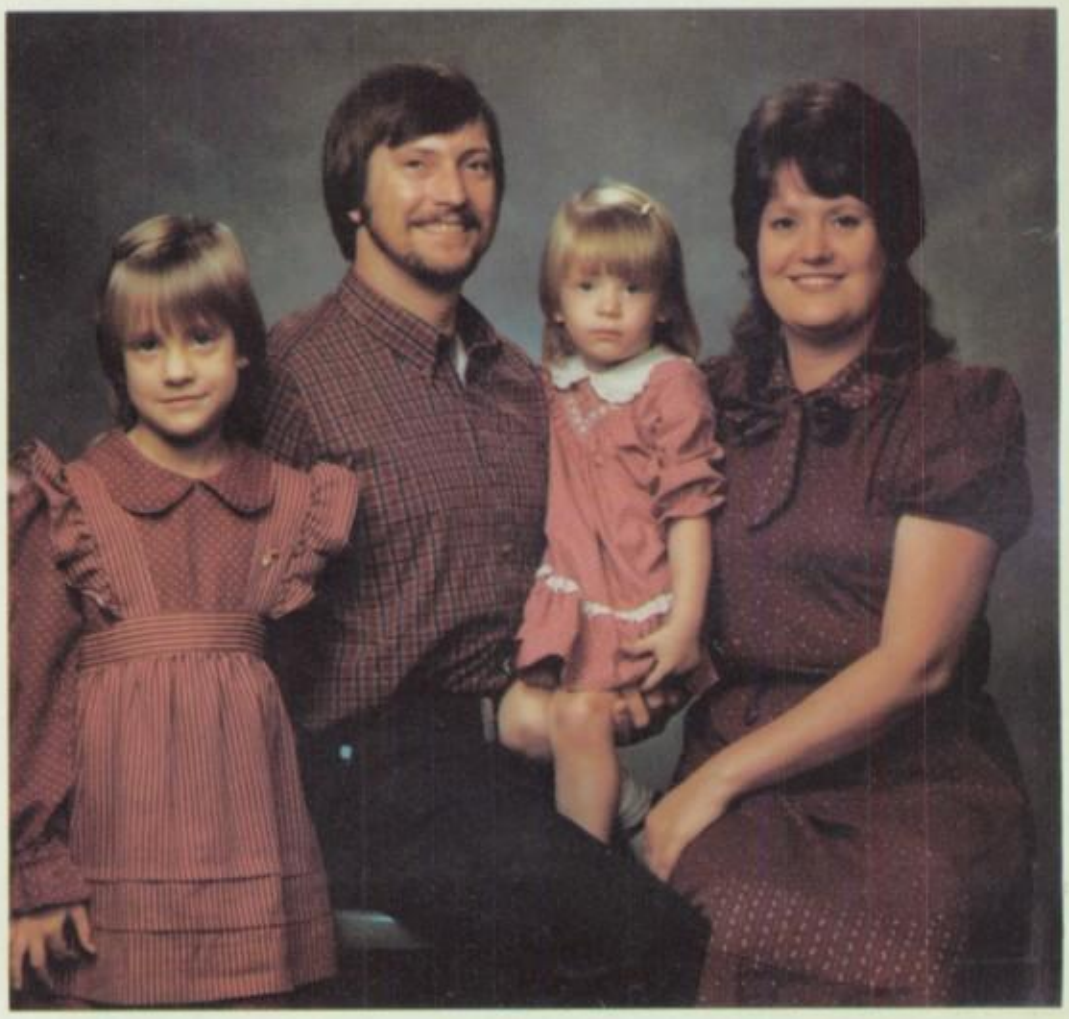
Dedication

In appreciation of her outstanding qualities as a teacher and a friend, the 1984 TIGER TRACKS staff proudly dedicates this yearbook to Mrs. Nancy Dobbs.

Mrs. Dobbs is now in her tenth year as an English teacher at CHS. She is a sponsor of the Junior Class and also sponsors Christians in Action. She gives unselfishly of her time on the senior play and the Junior-Senior Prom.

As an expression of gratitude for her many contributions to the students of CHS, the 1984 TIGER TRACKS is dedicated to . . .

Mrs. Nancy Dobbs



LOOKING BACK . . . on the memories we made, for as the years go by we will realize that these are the best of times.

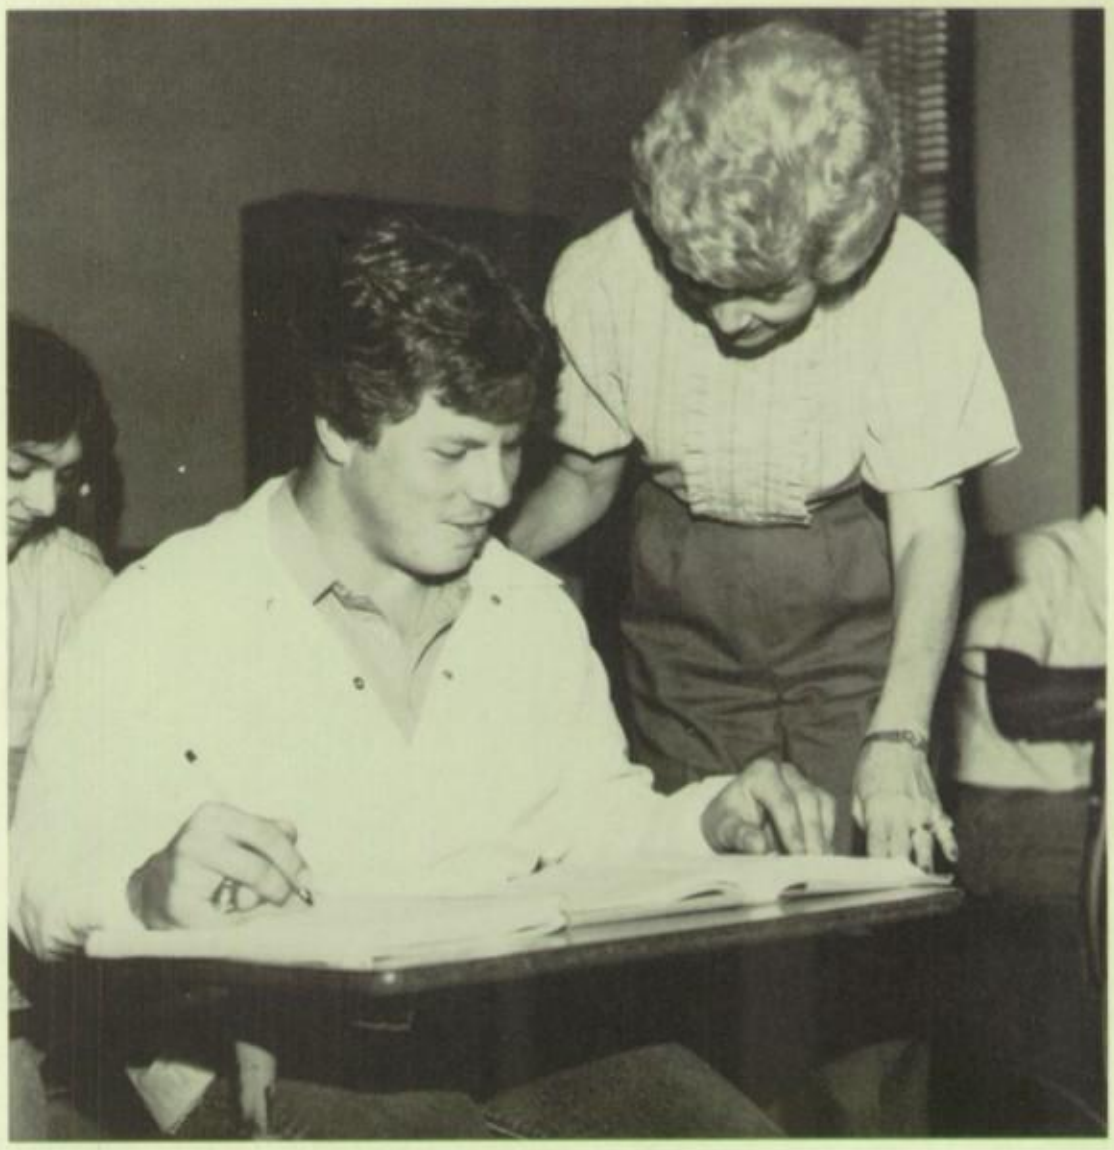
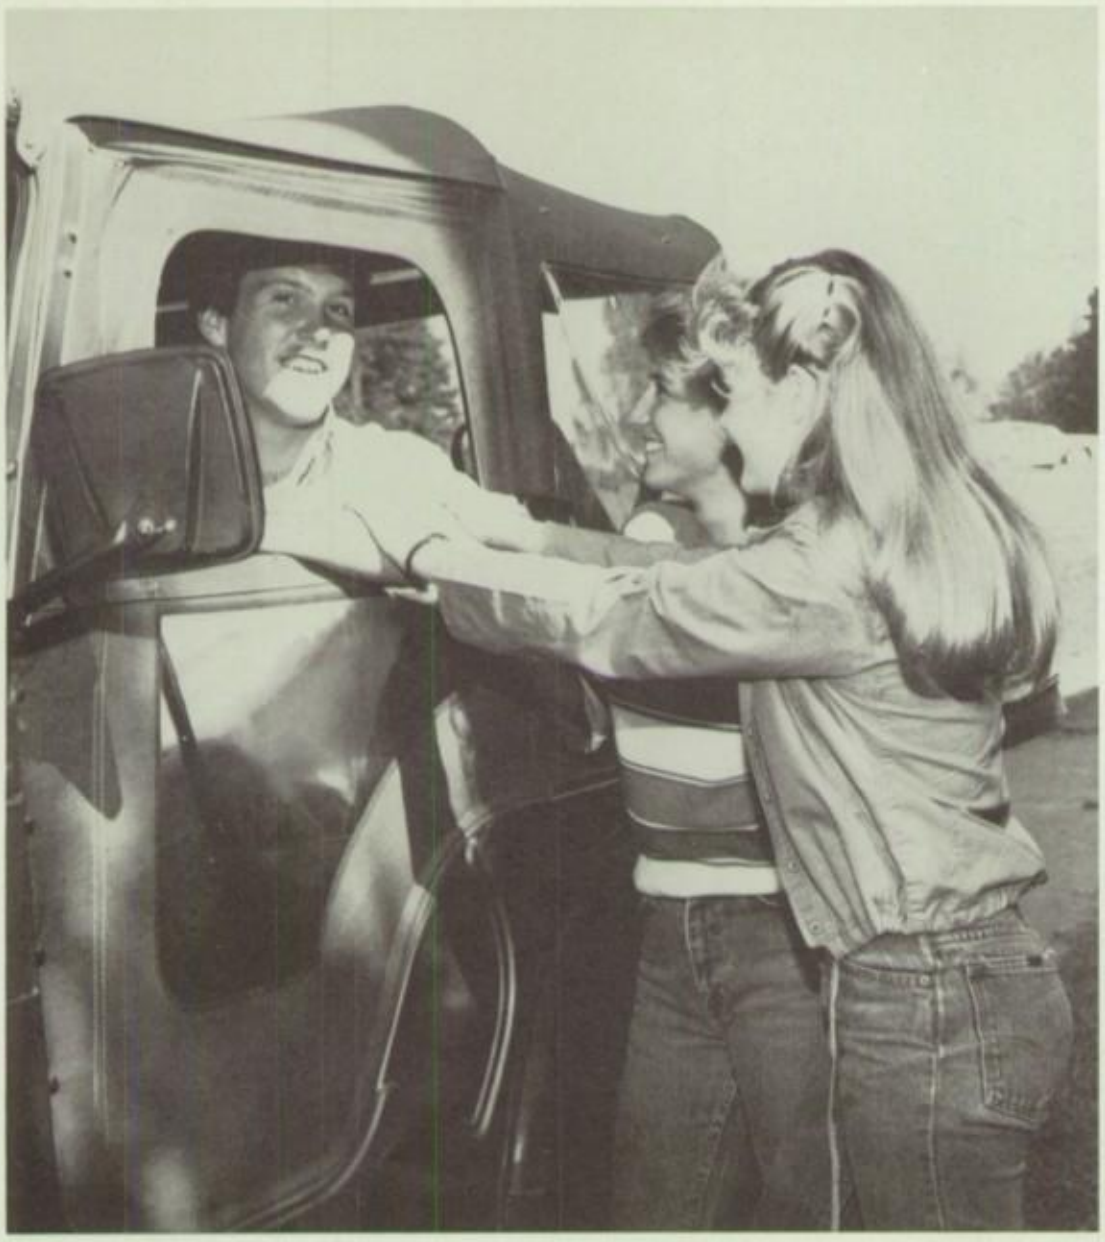
LOOKING BACK . . . on the things we've learned and the mistakes we've made, preparing us for the future.





LOOKING BACK . . . on the fun we've had and the friends we've made to last us through the years.

Congratulations
Seniors

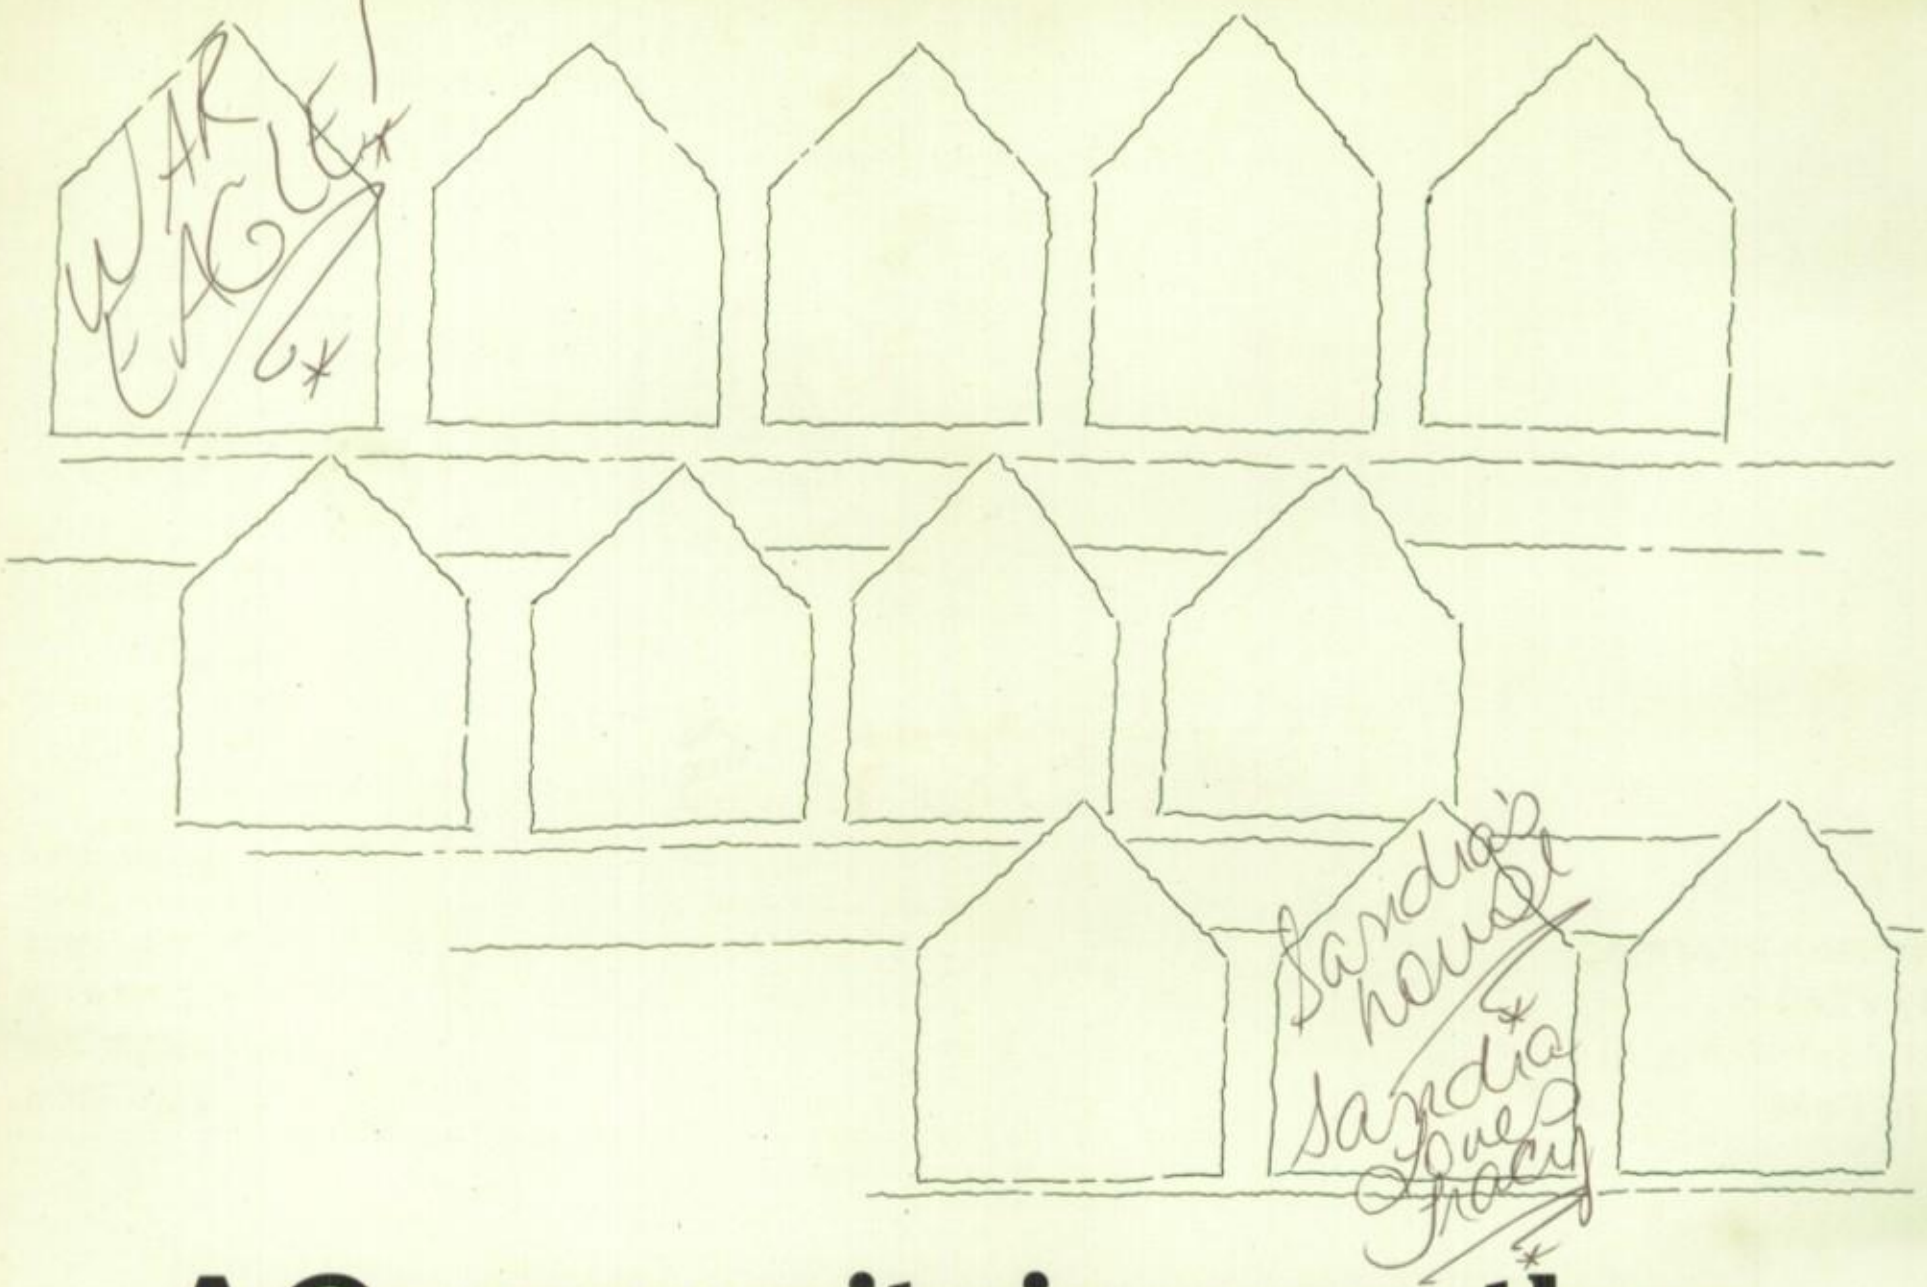
1984!



A Community is more than streets and houses.

It isn't just buildings, factories and businesses that give a neighborhood its special character. It's the families who live and work and go to school there.

Avondale has been part of this community for many years. We've seen it grow. And we're pleased to have had a role in that growth.

Its people are our people. The employees whose skill and workmanship have made Avondale fabrics and yarns some of the best in America.

We support the spirit of this school and this community. Involvement and co-operation have made this area such a good place to live and work. We're proud of it. And we hope you are, too.

It's people. AVONDALE
